(b) At present, there is no scope to open a Kendriya Vidyalaya at Jajpur Road, as no sanction for opening of new Kendriya Vidyalayas is available.

Misuse of laws by women

*285. SHRI SABIR ALI: Will the Minister of WOMEN AND CHILD DEVELOPMENT be pleased to state:

(a) whether Government is aware that the laws enacted for the safety of women, *viz*. Dowry Prohibition Act; Protection of Women from Domestic Violence Act etc. are being misused by women against their husbands and in-laws, to mint money and to harass them;

(b) if so, what steps are being taken to stop such maltreatment of husbands and their families by their spouses;

(c) if not, the reasons therefor;

(d) whether there is any proposal to enact a law, on the lines of the above laws, to save husbands and their families from their spouses;

(e) if so, the details thereof; and

(f) if not, whether Government would take some action to enact such a law?

THE MINISTER OF STATE OF THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI RENUKA CHOWDHURY): (a) The Ministry of Women and Child Development has received representations alleging misuse of laws and legal provisions intended for protection of women.

(b) and (c) Adequate safeguards are available under existing laws to deal with misuse, if any, of legal provisions.

(d) No, Sir.

(e) Does not arise.

(f) No such proposal is under consideration at present.

Output of Dabhol Power Project

*286. SHRI RAHUL BAJAJ:
SHRI RAJKUMAR DHOOT:

Will the Minister of POWER be pleased to state:

(a) why the power output from the erstwhile Dabhol Power Project is continuing to be erratic; and

(b) by when it would be fully operational?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) Five Gas Turbines (GTs) out of the total six Gas Turbines and all the three Steam Turbines of Ratnagiri Gas and Power Pvt. Ltd (RGPPL) (erstwhile Dabhol Power Project) have been revived so far. However, three Gas Turbines and one Steam turbine experienced unexpected major failures since January 2007. Out of three failed GTs, one GT was repaired and put back in service.
